The Hon'ble The Minister for Local Self Govt., etc.,

Government of Mysore,

Bangalore.

Petitioners:-- Venkatappa and others,
Adikarnataka Residents of Health Camp,
Mahomedan Block,
Basavanagudi,
Bangalore-4.

Respected Sir,

We, the abovenamed Petitioners, Adikarnataka residents of the Health Camp Area, Basavanagudi, Bangalore, most respectfully beg to represent as follows:--

1. That we have been residing with our large families in the above Basavanagudi Health Camp Area, for the past more than 40 - 50 years.

xxx
LSG-Secy
Chairman, Trust Board may be told not to demolish the huts until I inspect the spot.
3/2/54.

2. That we have been carrying on Correspondence with all the concerned Authorities since 1935, through one of us, by name Dasappa (since deceased) who was the Watchman of the Health Camp mentioned above, praying for grant of Sites (lands) to us near the said Health Camp itself, beyond the Boundary of the said Health Camp, and thus enable us to construct our Huts and Habitations and Dwelling Quarters therein, and, upon being desired to produce a Sketch of the concerned Plot, we also produced a Sketch on - 24-12-1935, and then we submitted numerous Reminders on the several subsequent dates of 2-7-1936 and 14-9-36 and 16-7-1937, etc., after which it was stated in an Endorsement issued to us on the Subject that the area applied for by us does not lie within the then City Limits. After the said area was included within the Bangalore City Corporation, we renewed our Representations and received Endorsemen t of the Trust Board bearing

No.

No. G.361/48-49 dated 8-1-49, assuring us that we would be allotted Plots in the Layout, and that we would be charged Ground Rents, and assuring us further that we would not be disturbed till land was provided for us, etc.

3. We are now subjected to a great danger to our well-being, in as much as the Compound Wall of the Vijaya College is being constructed, whereby more than 2 or 3 of our houses will be lost for us completely and permanently, and, besides this, there will be absolutely no passage for us to go to the Govt. Water Tap at all. Above all, since our present Latrine will also be included within the said Compound Wall, we will be deprived of this Amenity also, rendering our position quite miserable and unbearable on earth. The said Construction of Compound Wall is going on very briskly, and our said 3 - 4 houses are being threatened to be razed to the ground for the sake of the said Compound Wall within the evening of this day, and we are in imminent danger of losing our dwellings, if immediate stay is not effected and ordered against the Construction of the said Compound of the said College.

4. At this juncture, it may be added that, about a year back, while the Commissioner of our City Corporation desired us to shift some of our Dwellings and to another - side and thus make room for the Formation of Road, we obeyed his orders, and shifted some of our Dwellings from that Road Portion. But, within hardly a year therefrom, we are now in the imminent danger of losing 3-4 of our houses due to the said Compound of Vijaya College. Unless immediate protection is afforded, we will be quite helpless and miserable for absolutely no fault of ours.

In

In these circumstances, we pray for issuing an immediate Stay Order directing the immediate stay of the further Construction of the said Compound Wall of the Vijaya College, and directing them simultaneously not to disturb our present Dwellings or raze them down to the ground which they intend doing within the evening of to-day, and oblige. This will be after all in consonance with the kind assurance given to us by the then Authorities that we will not be disturbed from our present dwellings till land was provided for us as Substitute in the same area as stated and set out in Para 2 above.

Yours faithfully
and most Obediently for ever,

Bangalore, [illegible]
Dated 3-2-1954.
